Premium Mixes

The Angaar Signature

A warm fusion of spiced paan and mint with a rich, smoky depth — the house's fiery signature that lingers beautifully.

Paan Kiwi Fusion

Refreshing kiwi meets paan leaf in a smooth, tangy blend that dances between tropical fruit and herbal sweetness.

Tehran Nights

Deep tobacco-inspired tones with subtle spice and molasses — bold, aromatic, and unmistakably regal.

Arabian Drift

A sweet Middle-Eastern inspired shisha with hints of berries, rose, and spice — smooth, exotic, and utterly addictive.

Tropical Rush

A light and juicy cocktail of pineapple, melon, and citrus — the feeling of a beach breeze in every puff.

Sunset Paan

The vibrancy of fresh orange zest layered over classic paan — bright, citrusy, and soothingly nostalgic.

Royal Leaf

Traditional paan flavour elevated with cool menthol and aromatic notes — sweet, earthy, and balanced.

The Don's Choice

A strong, smoky blend for those who like authority in every drag — masculine, rich, and long-lasting.

Frozen Mirage

An intense menthol burst that cools your senses instantly — crisp, refreshing, and perfect for heat lovers.

Ocean Whisper

Gentle waves of mint and aqua freshness — airy, light, and relaxing like a coastal evening.
